

GET INTO GEAR

Our picks for all your **SUPER DAD'S** needs

SMART MOMS KNOW, getting dad enthused about baby care, at least at first, is all about letting him bond with the related “equipment.” Just think, if he feels even a fraction of the affection for his stroller that he feels for his iPhone, he’ll be out there cruising all day with Junior. What’s more, if he has his very own manly diaper bag, you’ll be free to go full-on girly-girl with your choice. Today’s dad does more than ever, so we think he should have his own tools of the trade. Here are our favorite gifts for his very first Father’s Day.

Baby Jogger City Elite | \$399,
babyjogger.com

TECHNO-POP

Your man's look is sleek and clean. And his favorite accessories are the latest technical gadgets, with an emphasis on style. We suggest a luxurious ergonomic

stroller, an all-in-one Bluetooth docking station/charger for his car, the latest über-HD digital video camera, and some fun low-tech books to balance it out a bit.
